

## Ciro

Kad se Ciro ozenio  
cabar masti potrosio.

*Chorus:*

Caj Ciro sedi s mirom,  
u cure ne diraj.

Sedi Ciro za odzakom  
namaz'o se sa kajmakom.

Sedi Ciro za trpezom  
namaz'o se sa pekmezom.

Sedi Ciro navrh slame  
brkovima plasi vrane.

When Ciro got married  
he used up a whole tub of butter.

Hey Ciro, sit quiet,  
leave the girls alone!

Ciro sat behind the chimney  
and smeared himself with *kajmak*.

Ciro sat at the table  
and smeared himself with jam.

Ciro sat atop a haystack and  
scared the crows with his moustache.

*Kajmak = food similar to butter or sour cream*
