

Naomi

Klei neshifa u'meitarim
sovevim bachalomi
sharim shirei tehila lach,
ken shirei tehila, Naomi.
Naomi, ani shelach.

U'berechov haramzonim
kol hazman rak adumim.
Kol hatnu'a mechaka lach,
pa-pam-pa-pam rak lach, Naomi,
kol ha'ir hazot shelach.

Chaki imdi od rega kat, Naomi.
Rak bachalom at po iti.
U'chshehaboker ya'aleh, Naomi,
ehey kan levadi.

Wind and string instruments
spin in my dream,
singing songs of praise
Yes, psalms, Naomi.
Naomi, I am yours.

And in the street the traffic signals
are red all the time.
Even the traffic waits for you-
only for you, Naomi,
the whole city is yours.

Stay with me another moment, Naomi.
Only in a dream are you here with me.
And when the morning comes, Naomi,
I will be here alone.
